

# WELCOME TO OUR "FUN" FILLED SUMMER!

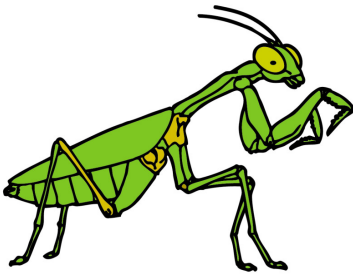

## SUMMER FUN IN THE SUN

Welcome to "Camp Orbit!" We will start off our summer by making new friends, and introducing you to our "summer rules" and weekly activities. Each day all summer, we will have special reading times, games, art projects, and centers. Once a week, we will have a cooking and science project. Tuesdays & Thursdays are fieldtrip day. Check the front desk each Friday for field trip information and permission form. We are going to have "Water Play", at Kids' Galaxy Water Park each Friday, so bring your bathing suit!

### MAY 30 - JUNE 3

#### ***OUT OF THIS WORLD FRIENDSHIP WEEK***

We will be working in twos this week. Care to share a game? How about being my Partner? It is a great week to have a "Friend". We will make half-and-half pictures, cotton ball painting and more, plus make a pizza that 2 can share. Our book for the week is The Number 7 Jinx. We will also play "Pal-to-Pal Tag", "Puddle Jumping" and "Heads Up, 7 Up". Have you ever played a game called "Remember"?

### JUNE 6 - JUNE 10

#### ***CREEPY, CRAWLY, INCREDIBLE INSECTS & ARACHNIDS WEEK***

We will explore the wonderful world of insects and even create some of our own. Some of our art this week will be ant antics, spider fun, thumbprint critters and more. How are you at kick ball? Don't forget your bathing suit on Friday for Kids' Galaxy Water Park. Our book for the week is The Grouchy Ladybug.

### JUNE 13 - JUNE 17

#### ***GO WILD, ANIMAL WEEK***

Can you make thumbprint critters or create a lion? We will see if you can imitate the animals this week. Our book for the week is A Cobra in the Garden. We will be making "Ant on a Log". Our games for the week will include "Mumball", "Dodge Ball" and "4 Corners".

### JUNE 20 - JUNE 24

#### ***GALAXY OF SPORTS WEEK***

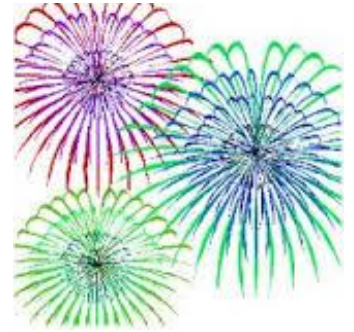

Get ready, set and go!! Some of the things we will be making this week are pom-poms, bangles, and megaphones and playing lots of games. Our book for the week is The Tortoise and the Hare and the Penguin. We will be cooking "Animals with Appeal". Some of our games will be "Tug-of-War", "Ball Toss", "Races", and "Jumping".

## **JUNE 27 - JULY 1**

### ***STAR-STUDED INDEPENDENCE CELEBRATION WEEK***

Let's talk about freedom, and who our heroes are today. We will work on a fireworks painting, as well as "red, white and blue art". Our reading for the week is Happy Birthday Hop. Don't forget your bathing suit on Friday for Kids' Galaxy Water Park. Some of the games we will play are "Tag" or "Freeze Tag", "Abstract Musical Chairs" and musical instruments. We will also enjoy watermelon fun.

## **JULY 4 - JULY 8**

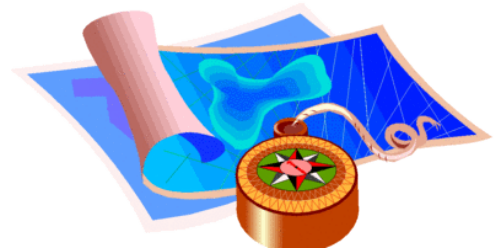

### ***INVENTOR'S WORKSHOP WEEK***

Whoa! What a great week. We love to invent things on our own and learn about famous people who invented things we use today. We will learn how to make toothpick art, make Gak, and find out what happens when you stick a pin into a balloon filled with water. Our book for the week is Why Knuckles Crack

## **JULY 11 - JULY 15**

### ***ADVENTURE IN THE GREAT OUTDOORS WEEK***

Who knows what adventures can happen if we use our imagination? We will talk about some of our own Adventures and make a Nature Map, Leaf Prints and a Sticket Picture. Some games we will play are, "Simon Says", and "Circle Stride Ball". Our book for the week is Adventure in the Banyan Tree. Do you know how to whistle?

## **JULY 18 - JULY 22**

### ***OCEAN EXPLORATION WEEK***

We will be making a pirate ship, sea bracelet, creating a starfish with sand and lots more. Our cooking project will be Pigs in a blanket. We will read Red Crab Invasion. Remember your bathing suit on Friday for Kids' Galaxy Water Park. We will also play the following games, "Jump the Sea", "Walk the Plank", "Volley Ball", and "Treasure hunting". Let's make our own puffy paint!

## **JULY 25 - JULY 29**

### ***JURASSIC DINOSAUR WEEK***

We will be learning about pre-historic creatures. What an exciting week we are going to have. We will make a table top dinosaur village, paint with marbles and rubbing art. Our reading is Dinosaur Facts. Where do we find fossils? Is that a volcano over near the dinosaur village?

## **AUGUST 2 - AUGUST 6**

### ***SPACE ADVENTURE WEEK***

What a great week! For the last week of summer, we will explore "Our Galaxy," learn how to blow paint, and create a space alien. We will make a Space Station and so much more. Don't forget your bathing suit on Friday for Kids' Galaxy Water Park. Some of the games we will play are "Tag" or "Freeze Tag" and "I Spy". Our science project will be making Galaxy slime. Is the Earth Really Moving? is our book for the week. How would you like to make an ice cream flying saucer on Wednesday?
